

Time is running out!

If you chose a LivingWell health plan for 2017, you must complete the Go365 Health Assessment or get a biometric screening by July 1.

Health assessment

Visit www.LivingWell.ky.gov and sign in to Go365 to get started. You do not have to get a biometric screening before taking the health assessment.

Biometric screening

Screenings are offered at no cost to you at a number of convenient locations. [Find locations here.](#)

Take your (HumanaVitality/Go365) ID card, or obtain your Go365 ID online or on the Go365 App.

Fast for at least eight hours prior to your appointment.

Keep your screening results for immediate proof of completion.

Rewards

Earn up to 4,000 Go365 Points. Receive even more for completing both the online health assessment and biometric screening.

What if I don't?

If you don't complete the LivingWell Promise (either a health assessment or biometric screening), you will not receive the discounted insurance premium (\$40) for a LivingWell plan in 2018.
